Support.

Reason: Blayney needs industry, for families to continue to live & work here. The young people don't have very many opportunities work wise, a lot leave when some want to stay in their town. This will hopefully provide job opportunities and apprenticeships and put money into our community. So many shops open & then close within a year, Blayney has hardly grown economically since I was a child and I'm now a mother with children. ~~But~~

I have/have not made any political donations in the last two years. (If yes please disclose)
