Support/object: (please provide your statement below)

I am in support of the McPhillamys Gold mine at Kings Plains.

Reason:

The work opportunities for locals, especially young people looking to start a career. As a TAFE teacher I see the value of this for the young people I teach. The business growth for the local businesses as Blayney does not have many big employers to help the town thrive.

I have ☒ have not made any political donations in the last two years. (If yes please disclose)
