McPhillamys Gold Project
Application number SSD-9505

Support/object: (please provide your statement below)

Writing in support of the proposed Gold mine
(McPhillamys) located at Kings Plains

Reason:

This is a project that will bring long term
employment + business opportunities to the local
region. As a father of 3 boys I'm excited by
additional employment avenues that are there
to await young men + women in the region after
they complete their studies. Recent open days
held by McPhillamys have shown they are
receptive to community concerns

I have/have not made any political donations in the last two years. (If yes please disclose)

No donations.
