Support.

Reason:

Exploration and development of precious metals deposits is a fundamental to our state and national economy. The environmental impact proposed by Reg's suggests that there will be well managed mitigation of impacts. Should McPhillamys not go ahead the confidence for investment in the important

I have have not made any political donations in the last two years. (If yes please disclose)

→ exploration sector will be deeply impacted. The development of Mineral resources of NSW is historic but also part of the current and ~~past~~ future fabric of the state.
