McPhillamys Gold Project
Application number SSD-9505

Support/object: (please provide your statement below)

Reason: The project looks promising. I believe
a fair amount of wealth will come to the
community via jobs and the gold itself.

If encumbrance conditions are met there
should not be a problem.

Already you can see after consultation with the
public, the mine design and foot print

I have/have not made any political donations in the last two years. (If yes please disclose)
