**Enquiry details:**

The deadline to file official submissions to oppose plans to build a giant abattoir in NSW is very soon! If approved, up to 1 million birds per week will be killed, and, packaged, at the horrific, cruel, egregious, unconscionable facility! We are submitting our letter in strong opposition to the abattoir plans, and, hopefully, having the letter signed by thousands of people will help send a strong message on behalf of the victimized chickens!

**Newsletter subscription confirmation:** False
