Dear Warwick,

Thank you for your letter
3rd October 2019, and for your
thoughts regarding our Australian
Botanical Gardens. I quite understand
regarding funds and wish Council
all the very best for future.

At the moment I'm very
concerned about the movement to
have a Chicken Processing Business
in Goulburn. I can't approve of it
as it will be most residents
the noise and large quantity of
water usage seems terribly wrong.
When water is so precious for humans.

we have a growing population
in Goulburn and the drought is
so very severe. Who knows
what God Almighty will send
more rain.

With my best wishes

Yours faithfully

John Morgan
