Dear Director,

OBJECTION
State Significant Development Application No: SSD-10300
Coffs Harbour Cultural and Civic Space

I object to the Development Application and request that a Public Hearing be held.

The reasons for my objection are as follows:

1. The original public proposal included Performing Arts space and did not include Council offices.
2. There has been no meaningful community engagement for the inclusion of Council Chambers.
3. Council has restricted its invited consultation to special interest groups.
4. 14,768 residents have signed a community petition calling the project to be suspended, which has been ignored by Council.

Other issues:

Since a General Manager arrived
in Coffs – having been a failure in a previous
Council, we have had nothing but dis-unity
and poor advice on almost every facet
of life in Coffs. This G M has misled
our Mayor & created the fear we now
have.
