

SSI 10300 – Coffs Harbour Cultural and Civic Space

Dear Rodger

The Government Architect NSW has been asked to provide independent design review commentary on State Significant Development application 10300.

Preliminary plans for this proposal were reviewed by GANSW on 10.04.19 and 30.05.19. The proposal has addressed the issues raised through the design review process. We have no further comments on the application.

Please contact me if you require any clarification

Regards,

Carol Marra
