Dear Director,

State Significant Development Application Number SSD-10300,
Coffs Harbour Cultural and Civic Space.

I object to this proposal and desire and request that a public hearing be held.

The reasons why I object to this proposal are:

- ① The first Council proposal DID NOT include Council Chambers.
- ② I was told when the new Council Chambers were built - it was built to allow future expansion on top. Why waste 75 million on new one when the one now is fine.
- ③ I was led to believe it was an Entertainment Centre.
- ④ There will not be enough parking for this. In the past two years I have not made any reportable political donations.

Yours sincerely,

Heather Tweedie

school holiday it is hard enough to find parking. What about disability parking not enough now.
