Scanning Room

Dear Director,

**State Significant Development Application Number SSD-10300.**  
**Coffs Harbour Cultural and Civic Space.**

I object to this proposal and desire and request that a public hearing be held.

The reasons why I object to this proposal are:

The lack of community inclusion in proposed building  
The lack of parking provision for proposal.  
Ignoring of residents petition.  
The cost for limited use of building  
The favouring of Council, Arts & Library  
ahead of a community centre that we have  
had a need for over many years.

In the past two years I have not made any reportable political donations.

Yours sincerely,

Signature
