Dear Director,

**State Significant Development Application Number SSD-10300.**  
**Coffs Harbour Cultural and Civic Space.**

I object to this proposal and desire and request that a public hearing be held.

The reasons why I object to this proposal are:

It is not in the public interest as it is not economically sustainable, providing for unnecessary office space for Council staff and does not provide for the best and highest use of public land.

In the past two years I have not made any reportable political donations.

Yours sincerely,

.....
