Dear Director,

State Significant Development Application Number SSD-10300.
Coffs Harbour Cultural and Civic Space.

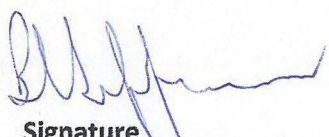

I object to this proposal and desire and request that a public hearing be held.

The reasons why I object to this proposal are:

- Original Council proposal included performing Arts space and did not include Council offices
- The likely cost over run and effect on other infrastructure - maintenance works.

In the past two years I have not made any reportable political donations.

Yours sincerely,
