Dear Director,

State Significant Development Application Number SSD-10300.
Coffs Harbour Cultural and Civic Space.

I object to this proposal and desire and request that a public hearing be held.

The reasons why I object to this proposal are:

Any consultation was kept to a minimum. (Secretive).
~~Cost~~ - Excessive.
It was expected that a performing arts centre would be included.
Council offices were never a consideration.
The existing Council Offices are more than adequate & can be expanded at a fraction of the cost.
CITY would appear to be a much more suitable site.
- This is just a monument to the Mayor!
In the past two years I have not made any reportable political donations. ^{where is the normal convention when exercising a casting vote.}

Yours sincerely,
