Dear Director,

State Significant Development Application Number SSD-10300.
Coffs Harbour Cultural and Civic Space.

I object to this proposal and desire and request that a public hearing be held.

The reasons why I object to this proposal are:

- * No performance area has been provided in a city which does not have one.
- * There is no provision for expansion of the council chambers. This does exist in the current building.

In the past two years I have not made any reportable political donations.

Yours sincerely,
