Dear Director

**State Significant Development Application Number SSD-10300.**  
**Coffs Harbour Cultural and Civic Space.**

I object to this proposal and desire and request that a public hearing be held.

The reasons why I object to this proposal are:

1. The location of the building on a street other than a major road linking the CBD to other significant parts of the Local Government Area.
2. The location of the building being in a commercial part of the CBD and restricted access to open landscaping or parkland.
3. There is inadequate parking both internally and externally.
4. 15,000 people signed a petition against this development. One Third of Coffs Adult voting population. This effectively means >50% of the population are AGAINST.
5. Congestion of travel modes to and from and within the vicinity of the development.

In the past two years I have not made any reportable political donations.

Yours sincerely
