Dear Director,

State Significant Development Appli-
cation No. 558-10300
Coffs Harbour Cultural + Civic Space

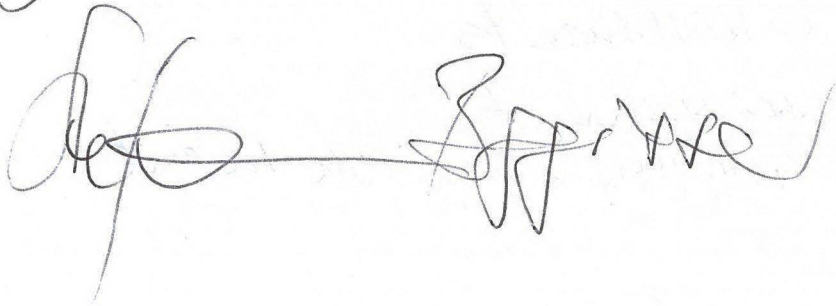

I object to this proposal and desire
and request that a public hearing be
held.

The reason why I object to this proposal
is:

It duplicates existing Council office space
and thus falls short of the objective of
the B3 Commercial Core Zone to
"encourage employment opportunities in
accessible locations."

In the past 2 years I have
not made any reportable political
donations.

Yours sincerely
