Dear Director,

State Significant Development Application Number SSD-10300.
Coffs Harbour Cultural and Civic Space.

I object to this proposal and desire and request that a public hearing be held.

The reasons why I object to this proposal are:

- 14768 Residents have Signed the Community Petition calling the project to be suspended, which has been ignored by Council
- In a practical sense the building is redundant before its commenced. Council's only future option will be to reject the Library + Art Gallery & consume their zones as it did with the performing Arts space.

In the past two years I have not made any reportable political donations.

Yours sincerely,

S. Luck
