Dear Director,

State Significant Development Application Number SSD-10300.
Coffs Harbour Cultural and Civic Space.

I object to this proposal and desire and request that a public hearing be held.

The reasons why I object to this proposal are:

- * *14,768 residents have signed a community petition calling the project to be suspended, which has been ignored by the Council.*
- * *The original public proposal included Performing Arts space and did not include Council Offices.*
- * *There has been no meaningful community engagement for the inclusion of Council Chambers.*

In the past two years I have not made any reportable political donations.

Yours sincerely,

B Luck
