Dear Director,

State Significant Development Application Number SSD-10300.
Coffs Harbour Cultural and Civic Space.

I object to this proposal and desire and request that a public hearing be held.

The reasons why I object to this proposal are:

1. The original proposal included Performing Arts space & did NOT include Council offices.
 2. Current Council Chambers were planned & built to allow future expansion.
 3. At least 14768+ residents have signed a community petition calling for the project to be suspended, which Council has ignored, the Mayor referring to this $\frac{1}{3}$ of the community as a "Noisy minority".
 4. Insufficient parking. The new parking spots only for Council staff with others having to use the existing inadequate parking facilities.
- In the past two years I have not made any reportable political donations.

Yours sincerely,

Kathryn Hicks
