Dear Director,

**State Significant Development Application Number SSD-10300.**  
**Coffs Harbour Cultural and Civic Space.**

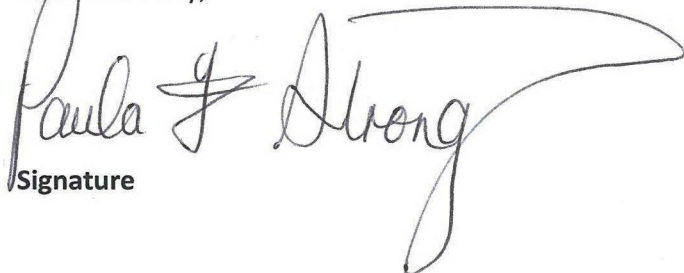

I object to this proposal and desire and request that a public hearing be held.

The reasons why I object to this proposal are:

There is inadequate parking in this location for the purposes of the building.  
The location goes no way towards future proofing against increasing needs as it is too small.  
The proposed building does not fit in with surrounding development / existing structures.

In the past two years I have not made any reportable political donations.

Yours sincerely,
