Dear Director,

State Significant Development Application Number SSD-10300.
Coffs Harbour Cultural and Civic Space.

I object to this proposal and desire and request that a public hearing be held.

The reasons why I object to this proposal are:

- ① We are lacking a performance centre and this proposal does not include it.
A performance centre will provide a good avenue for fund raising. It will bring a lot of visitors to the town and support business.
- ② Costing has not been disclosed adequately.
- ③ A revamp of the current Council Chambers could have been looked into and offered as another option.

In the past two years I have not made any reportable political donations.

Yours sincerely,

J Richardson
