Dear Director,

State Significant Development Application Number SSD-10300.
Coffs Harbour Cultural and Civic Space.

I object to this proposal and desire and request that a public hearing be held.

The reasons why I object to this proposal are:

*Seems an extreme amount of money
which always comes back to the
ratepayers.*

*Always blowouts of estimation in
past experience.*

In the past two years I have not made any reportable political donations.

Yours sincerely,
