Dear Director,

OBJECTION

State Significant Development Application No: SSD-10300

Coffs Harbour Cultural and Civic Space

I object to the Development Application and request that a Public Hearing be held.

The reasons for my objection are as follows:

1. The original public proposal included Performing Arts space and did not include Council offices.
2. There has been no meaningful community engagement for the inclusion of Council Chambers.
3. Council has restricted its invited consultation to special interest groups.
4. 14,768 residents have signed a community petition calling the project to be suspended, which has been ignored by Council.

Other issues:

There are too many issues causing concern
to list in this space.

The community appears to be rejecting this
proposed development en masse but the powers
that be are turning a deaf ear.

I believe an enquiry into the process is warranted.
