Dear Director,

OBJECTION

State Significant Development Application No: SSD-10300

Coffs Harbour Cultural and Civic Space

I object to the Development Application and request that a Public Hearing be held.

The reasons for my objection are as follows:

1. The original public proposal included Performing Arts space and did not include Council offices.
2. There has been no meaningful community engagement for the inclusion of Council Chambers.
3. Council has restricted its invited consultation to special interest groups.
4. 14,768 residents have signed a community petition calling the project to be suspended, which has been ignored by Council.

Other issues:

The glass panelling is not economically positive. It will be a fortune to clean & the heat will cause astronomical air conditioning fees. The glass will cost a fortune to clean too.

The Building is an elaborate "council chambers" & NOT what the people wanted. The original Council chambers ~~the~~ chambers should have been extended on.

there is NOT enough parking in the vicinity of the new council chambers building.
