Dear Director,

**OBJECTION**

State Significant Development Application No: SSD-10300

Coffs Harbour Cultural and Civic Space

I object to the Development Application and request that a Public Hearing be held.

The reasons for my objection are as follows:

- ✓ 1. The original public proposal included Performing Arts space and did not include Council offices.
- ✓ 2. There has been no meaningful community engagement for the inclusion of Council Chambers.
- ✓ 3. Council has restricted its invited consultation to special interest groups.
- ✓ 4. 14,768 residents have signed a community petition calling the project to be suspended, which has been ignored by Council.

Other issues:

*What about the parking spaces?*

*How much is it going to cost to clean all those windows and what about the heat reflection in summer.*

*What will it cost for cooling?*
