15/9/2017

Hi Sheelagh,

Thank you for forwarding this proposal to the Office of Environment and Heritage (OEH) for consideration. After reviewing the supporting EIS, OEH's Greater Sydney Planning Team has concluded that it does not entail any biodiversity, natural hazards or Aboriginal cultural heritage impacts that require a formal OEH response. We have no further need to be involved in the assessment of this proposal.

Regards

Richard Bonner
Senior Conservation Planning Officer
