Thank you for your referral dated 30 September 2019 inviting comments on proposed MOD 3 and MOD 7 for the Bulga Optimisation Project from the Heritage Council of NSW for the above proposal.

The subject site is not listed on the State Heritage Register (SHR), nor is it in the vicinity of any SHR items. The site also does not contain any known historical archaeological sites. Therefore, no further heritage comments are required. The Department does not need to refer subsequent stages of this proposal to the Heritage Council of NSW.

Please note that the Greater Sydney Planning Team within the Climate Change & Sustainability Division may provide separate comment in relation to Aboriginal cultural heritage.

If you have any questions regarding the above advice please contact me using the details below.

Subject: Request for Advice - Bulga Optimisation Project (SSD-4960) MOD 3 and Bulga Underground (DA 376-8-2003) MOD 7

The Department of Planning and Environment has received a Modification Application and Statement of Environmental Effects (SEE) for the Bulga Coal Optimisation Project (SSD-4960) MOD 3 and the Bulga Underground Operations Project (DA 376-8-2003) MOD 7. Due to the interdependency of these modifications they will be exhibited and assessed together.

The Statement of Environmental Effects (SEE) will be publicly exhibited from 3/10/19 to 4/11/19.

The SEE incorporates both the Bulga Optimisation Project (SSD-4960) MOD 3 and Bulga Underground (DA 376-8-2003) MOD 7 applications.

The SEE can also be accessed via the Department's website at the following links:

<https://www.planningportal.nsw.gov.au/major-projects/project/14406>

<https://www.planningportal.nsw.gov.au/major-projects/project/16841>

The Department invites you to comment on the modification, including advice on recommended conditions by the due date of **4 November 2019**.

If you have any enquiries, please contact Joel Herbert on 8289 6614 at joel.herbert@planning.nsw.gov.au

Kind regards

Melissa
