The Department of Planning and Environment has received a Modification Application and Statement of Environmental Effects (SEE) for the Bulga Coal Optimisation Project (SSD-4960) MOD 3 and the Bulga Underground Operations Project (DA 376-8-2003) MOD 7. Due to the interdependency of these modifications they will be exhibited and assessed together.

The Statement of Environmental Effects (SEE) will be publicly exhibited from 3/10/19 to 4/11/19.

The SEE incorporates both the Bulga Optimisation Project (SSD-4960) MOD 3 and Bulga Underground (DA 376-8-2003) MOD 7 applications.

The SEE can also be accessed via the Department's website at the following links:
