Dear Sir/Madam.

I wish to bring to your attention the following concerns relating to the hospital project being built very close to my property.

My concerns are as follow.

1. At the corner of my property on Cudgen & the Sueid Coast Road there is a set of lights and that section will have to be widened to cater for the hospital traffic. In 1982 the Sueid Shire Council took land off the corner of my property for these lights & intersection. I do not want to lose any more of my land.
2. Once the hospital is operational I fear it will be quite difficult and maybe impossible to keep farming as I do today. I would like to add that our family has owned & worked this property for 106 years and has been a great joy to us all.

I have made no political donations in the past 2 years.

I remain

yours faithfully

Mrs. Dallas G. Robinson.
