

An architectural rendering of the Tweed Valley Hospital. The building is a large, modern structure with a central glass-fronted entrance and wings on either side. The wings feature vertical wooden slat cladding and large glass windows. The text "Tweed Valley Hospital" is visible on the left wing. The building is surrounded by a landscaped area with green grass, various trees, and a parking lot with a few cars. In the foreground, there is a field of tall grass and white flowers. The sky is blue with scattered white clouds. The image is framed by tree branches in the top corners.
