Dear Mr Gibson

Thank you for your letter of 4 October 2019 requesting comment from the Civil Aviation Safety Authority (CASA) on the modification application for the Tweed Valley Hospital Stage 1 (SSD-9575-Mod-2) and Stage 2 (SSD-10353).

CASA has reviewed the relevant aspects of the applications including the updated Aviation Report and CASA has no issues with the report and no objections to the project.

I am advised that the comments provided by CASA on SSD 9575 on 26 November 2018 remain extant and a copy is attached for your information.

I trust this information is of assistance.

Yours sincerely
