- ☒ Insurance issues
- ☐ Traffic management
- ☐ Work hours disturbing the tranquillity

Additional Comments: Any Solar Panel Solar Farm is

NOT welcome in the Greater Hume Shire as it would be a significant loss of Prime Agricultural land, be a visual blight on our beautiful countryside, upset the equilibrium in close knit communities, (as the only

- I have made no political donations in the past five years

Signed: 

real beneficiaries are the few landholders who anticipate leasing their land to the greedy Solar companies and once fully cashed up, ^(landholders) could, can & will leave the Shire, re settle in greener pastures, where they

cont = do NOT need to gaze upon the
Solareyesore that they have petitioned &
sold their souls for. ~~They'll leave that~~
~~ghastly, lasting legacy~~

In doing so, they leave behind a
lasting legacy which is both abhorrently
repugnant to those neighbouring
landholders and the populus in
general.
