**Additional Comments:** *I bought my land in 1993 as a life style*

*block for my family. I never anticipated to come up against solar panels. I grew up in the district Berrumbidgee/Walburton. I wanted to raise my family on the land although smaller than what I grew upon I wish the same for my family. This is prime farming land and I say NO to solar farms.*

- I have made no political donations in the past five years
