I Micheal Knobel do declare that I have not made any political donations in the past 5 years.

I oppose the Jindera Solar Farm SSD-9549 for the following reasons

- The effect on our Agricultural repair business
- The dust in dry years, if the land holder doesn't look after the land under the panels.
- The tree removal. You can't replace 50 to 100 year old trees overnight.
- Im so emotional drained about these solar plants.
- It's a farming area not an industrial area

We produce food & fodder we are in one of the most reliable areas in NSW for rain.

I'm happy to be contacted about this project.
