I June Feuerherdt do declare that I have not made any political donations in the past 5 years.
I object to Jindera Solar Farm SSD-9549 for the following reasons

- Mental health as this has effected so many of my family members with the rise of solar farms in this area of Greater Hume Shire.
- I'm worried about the heat & glare from the solar panels.
- The Fire risk due to the 2 meter high fences with shade cloth
- The loss of mature native trees and the wildlife that it supports
- The loss of prime agricultural land as this area is not as effected in drought as other parts of rural NSW

I'm happy to be contacted about this project.
