Dear Sirs

I wish to make known my ideas and concerns regarding the Amended Redevelopment plans for Greenwich Hospital currently on exhibition by the proponent, HammondCare.

In particular I OBJECT to the following aspects:

- **SIZE, BULK AND SCALE OF THE MAIN HOSPITAL TOWER BUILDING** for the following reasons:

The area surrounding is only one or two stories

- **SERVICED SENIORS LIVING Apartment Blocks** for the following reasons:

Traffic chaos
lack of parking for visitors
Already congested - residents will
be unable to access homes safely

- **AMENITY AND VISUAL IMPACTS ON RESIDENTS** for the following reasons:

Towers too tall
Bus service does not run often enough

- **IMPACT ON BUSHLAND AND ENVIRONMENT OF THE DEVELOPMENT** for the following reasons:

Too many trees to be cut down
we need more trees not less in times
of climate change

- **TRAFFIC AND SAFETY CONCERNS** for the following reasons:

making the area more dangerous
for elderly & school children
