Dear Melissa,

I wish to formally object to the new Quarry proposal (see reference numbers in the subject line of this email).

As has been noted by others, there are already 12 other Quarries serving the region with a current and prospective oversupply to requirement.

It is my opinion that developing Le Clos Sancrox and surrounding areas in other ways will provide far more jobs and overall benefits to the local communities.

My details:

Name: Claude Schoffel

Address: 11 Woodbury Road St Ives NSW 2075

Email: schoffelj@gmail.com

Phone: 02 9983 1356

My connection to the area: I am the owner of Lot 2 Le Clos Sancrox

Yours Sincerely
Claude Schoffel
