RE; Sancrox Quarry Expansion Project

In the strongest terms I lodge an objection to this expansion (new quarry).

The EIS is flawed and misleading in that :

- There are other sources of rock
- There will be significant effect on the 142 Lot Riverpark Sancrox Estate – in fact no-one will want to live there.
- No mention of the Endangered Biological Community Corridor
 - High use Koala Habitat
 - High speed rail track.

We have spent hundreds of thousands of dollars developing the Riverpark over 30 years and this quarry would just wipe that out – so 142 groups of people do a fortune for someone else to operate an environmental nightmare.

Yours faithfully,

Michael Faulkner
Owner – Riverpark Sancrox Estate.
