Dear Sir

I do not support the proposed time extension for the Marulan Gas Fired Power Stations and Marulan Common Infrastructure Project

~~I do support~~ the proposed time extension for the Marulan Gas Fired Power Stations and Marulan Common Infrastructure Project

Reasons. We have a climate crisis - we have ample renewable energy options and storage capability. It is sheer insanity to permit the start-up of any new fossil fuel-powered generation

I declare I do not have any reportable political donations.
