- ☒ DEVALUING OF PRIME AGRICULTURAL LAND AND LIFETIME INVESTMENTS

WALLA WALLA TOWNSHIP

- ☒ RESTRICTS FUTURE GROWTH
- ☐ PROPOSAL DOESN'T GIVE ADEQUATE DETAIL OF THE PROXIMITY TO THE TOWNSHIP
- ☐ CHANGING CLIMATIC CONDITIONS FOR THE TOWNSHIP AND SURROUNDINGS
- ☐ BUSHFIRE RISK
- ☐ INSURANCE ISSUES
- ☐ TRAFFIC MANAGEMENT
- ☒ WORK HOURS DISTURBING THE TRANQUILLITY

ADDITIONAL COMMENTS

I have made no political donations in the past five years.

The solar farms are not needed or welcome in this beautiful agricultural countryside which has still been productive throughout this drought period. The proposed walla solar farm will directly and negatively affect a unique and local business such as Orange Grove Gardens. Also devaluing land

ADDITIONAL COMMENTS

I have made no political donations in the past five years.

The solar farms are not needed or desired in the beautiful agricultural country that we have. The proposed solar farms will destroy and replace a lot of native and local bushland and native animals. The proposed solar farms will destroy and replace a lot of native and local bushland and native animals. The proposed solar farms will destroy and replace a lot of native and local bushland and native animals.
