Dear Paul,

Would you like this to happen near your residence? It is a crying shame to see what is happening to our area.

We object strongly to the proposed Stratford Extension Project for the following reasons:

- 1 24-hour mining operations will impose an intolerable noise burden over a very wide area.
- 2 Noise impacts - we already experience noise nuisance and the expansion will make it worse.
- 3 Health impacts arising from coal dust and diesel exhaust fumes.
- 4 Mining so close to Stratford village.
- 5 Lighting which is already a problem for us and which will become worse with the expansion.
- 6 Reduction in property values.

Yours sincerely
Kevin and Jennifer Johnson-Bade
