Subject: Stratford Extension project Application Number SSD-4966.

Dear Sir.

Because we have left this to the 11th hour, we will make this brief:

We Strongly object to the proposed Stratford Extension Project Application Number SSD-4966 for the following reasons:

1. 24-hour mining operations will impose an intolerable noise burden over a very wide area.
2. Noise impacts - we already experience noise nuisance and the expansion will make it worse.
3. Health impacts arising from coal dust and diesel exhaust fumes.
4. Mining so close to Stratford village.
5. Lighting which is already a problem for us and which will become worse with the expansion.
6. Reduction in property values.
