Hi May,

TG REF: 2019-527

Re: Quorn Park Solar Farm (SSD 9097) – Request for Advice on EIS

Thankyou for referring to TransGrid for review.

Please be advised TransGrid has received an initial connection enquiry for the Solar Farm hence TransGrid would require entering a Connection Processes Agreement to further scope and develop the connection to TransGrid's network. We have no further comments at this stage.

If you have any questions, please do not hesitate to contact our team.

Kind regards,

Lauren Player
