RE: CROOKWELL 3 WIND FARM
Application No: MP 10_0034

I write in connection with the above application. I wish to offer my support to the proposal, for the reasons outlined below.

- Reduction of Greenhouse Emissions.
- Employment for local residents
- Efficient use of natural resources.
- Additional constant income for land owners, which in turn gives further income to local residents
- The construction of infrastructure, ie, roads will benefit local communities and enable rural fire service better access.

I hope my letter is given due consideration.

Yours faithfully

Trevor and Christine Besley
