No Comment to Planning Advice Request

Thank you for the request for advice from Public Authority Consultation (PAE- 26378629) on the Sydney Rooster's Centre of Excellence (SSD-9835-Mod-6) for the proposed modifications of Stage 2 detailed design, construction and operation of the Sydney Football Stadium at 40-44 Driver Avenue, Moore Park.

Based on the information provided, the proposal does not appear to require an environment protection licence under the *Protection of the Environment Operations Act 1997*.

As a result, the EPA has no comments to provide on this project and no follow-up consultation is required. City of Sydney should be consulted in relation to the proposal.

If you have any questions about this request, please contact Environment Line on 131 555 and quote the above reference number.

Yours sincerely
