Dear Minister

MOOREBANK INTERMODAL TERMINAL PROJECT

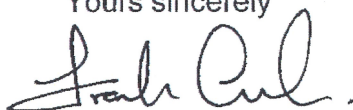

A report was considered in regard to the proposed intermodal terminal in Moorebank at the Ordinary Council meeting held on 9 December 2014. It was resolved in part, at this meeting that the Council write to you outlining Fairfield City Council's concerns regarding the Moorebank Intermodal Freight Terminals impacts on Liverpool City Council's residents.

The proposed intermodal terminal in Moorebank is expected to have substantial impact on the amenity of the residents in Liverpool Local Government Area due to the increased truck movements proposed to/from the intermodal terminal for freight sourced from Port Botany.

Fairfield City Council supports Liverpool City Council's position in regard to opposing the proposed intermodal at Moorebank. It would be greatly appreciated if the adverse impacts on Liverpool City Council residents due to the proposed Moorebank Intermodal Terminal is taken into account prior to a decision being made.

Thank you in anticipation of your assistance in this matter. Should you require any further information, please contact Mr Roshan Aryal, Council's Manager Built Systems on 9725 0260.

Yours sincerely

FRANK CARBONE
MAYOR OF FAIRFIELD CITY
