Subject: SIMTA MODIFICATION – SSD 5066 [Early Works]

I object to these modifications, on merit and on principle because OF THE NEGATIVE IMPACT THIS DEVELOPMENT WILL HAVE ON traffic, noise, air quality, biodiversity and heritage and the local populations health. SWS is trying to grow a healthy and prosperous region. The SIMTA Intermodal will negatively impact on our ability to raise healthy children and protect our local environment from excessive pollution.

Badgerys Creek local area is less populated and is a central location for this project. Do not put the health of our elderly and children at risk for your profit.

Yours sincerely,
KYLIE LOREGGIA
