**To:** DPE CSE Information Planning Mailbox  
**Subject:** SIMTA MODIFICATION – SSD 5066 [Early Works]

I object to these modifications, on merit and on principle because I believe they will change our local area, not for the better. Increased traffic, increase pollution, increased noise. We already have a lot of these things anyway (traffic, pollution & noise) due to living so close to the M5. I also worry about how the Itermodel will effect the environment.

Yours sincerely,  
Kim Sadler  
Wattle Grove, NSW, 2173, Australia
