Subject: SIMTA MODIFICATION – SSD 5066 [Early Works]

I object to these modifications, on merit and on principle because I care about this community and its health and well being.

The residents of this community do NOT deserve to have this in the backyard.

We are entitled to live in a community where we can rest assure that air pollution is not through the roof and traffic is tripled and even worse then the current situation with hundreds more trucks on the road.

There are hundreds of other places this Terminal can go, do your research.

SAVE INNOCENT PEOPLES LIVES, HEALTH AND QUALITY OF LIFE PLEASE.

Yours sincerely,
Laurinda Vieira-Wehbee
